SITUATION AND DESCRIPTION

Located in Montagnola, on the south-eastern slope of the Collina d'Oro, Residenza Du Parc is an exclusive residential complex set within a private park of approximately 6,000 sqm. Its contemporary architecture blends harmoniously with the surrounding landscape, featuring clean lines and high-quality materials that create an atmosphere of refined elegance and discretion.

The sunny and peaceful location offers the perfect combination of nature and convenience, just minutes from the centre of Lugano, the motorway, and Lugano-Agno International Airport. In the immediate vicinity are the TASIS School, the Hermann Hesse Museum, and all essential services that make this area one of the most desirable in the Lugano region.

The residence features beautifully designed common areas, including a heated outdoor swimming pool, a

fitness area, a SPA with sauna and steam bath, and refined suspended Zen gardens that enhance the landscaped park.

This 4.5-room apartment, situated on the first floor, offers bright interiors and top-quality finishes. The entrance opens onto a central hallway leading to the sleeping area, which includes three bedrooms, all with direct access to the spacious teak terrace surrounding the apartment and overlooking the residence's garden. Two bathrooms — one with a bathtub and one with a shower — and a guest WC, all finished in granite stoneware, complete this section of the property.

The living area unfolds in a generous open space with an island kitchen and living room, both overlooking the main terrace. From the kitchen, there is access both to a second large rear terrace and to a small

private garden, ideal for outdoor dining or relaxation.

Oak parquet floors and carefully selected materials throughout create a discreet, elegant, and contemporary style.

Technical features include underfloor heating with heat pump, large floor-to-ceiling sliding windows with low-emission glass, electric blinds, and a fully equipped kitchen with high-end appliances.

A cellar and two parking spaces in the underground garage complete the property.

A home that combines comfort, privacy, and superior construction quality in one of Ticino's most prestigious locations, perfect for those seeking an elegant setting surrounded by greenery, just minutes from the heart of Lugano.

Available exclusively as a primary residence.
