SITUATION AND DESCRIPTION

Nested in the heart of the Haute-Nendaz resort, this 4.5-room, walk-through apartment embodies the perfect balance between privileged location and absolute comfort.

More than just an apartment, this is a true mountain residence located on the first floor, designed as a unique living space, turned towards the outdoors and benefiting from exceptional luminosity.

Just a few steps from the gondola lift, this property offers immediate access to the slopes and the resort's activities, while guaranteeing calm and serenity.

The generous volumes and the through-configuration promise a warm atmosphere, where every space has been designed to maximize natural light and views of the mountain environment.

The space is currently unfinished, offering the unique opportunity to finalize the finishes according to your personal tastes. From the choice of noble materials to bespoke fittings, every detail can be customized to create an interior that's just like you.

The ideal layout includes a spacious living room, an open kitchen, a master bedroom with en suite bathroom and two additional bedrooms, forming a harmonious and functional whole.

Between standing, tranquility and a strategic location in the heart of Haute-Nendaz, this rare property is aimed at lovers of authenticity and comfort wishing to settle in a privileged living environment, just a stone's throw from all amenities and ski lifts.
