SITUATION AND DESCRIPTION

Located in a quiet residential area of Le Landeron, this plot offers a pleasant living environment, in the immediate vicinity of amenities while benefiting from a verdant setting.

The project is set on one of the last constructible plots in the neighborhood. This plot offers a great deal of architectural freedom, while respecting current town planning regulations and the architectural coherence of the other villas in the project.

The configuration of the plot allows for optimal building layout and good privacy.

General plot data:

Plot C
Plot area approx. 705 m²
Equipped land

Access by private road with right of way
Servitudes and rights of way related to access road and networks

Price includes architect's services and road construction.

Villa adjoining by garages with villa D

The project provides for the construction of a villa with several possible variants. It can be built on one or two levels, with partial or full basement, depending on the purchaser's wishes. The architecture is highly customizable, both in terms of interior layout and finishes.

Environment and amenities:

Le Landeron boasts numerous shops, comprehensive school facilities, childcare facilities and a medical center. The Swiss Federal Railways station is around
