SITUATION AND DESCRIPTION

A SWITZERLAND SOTHEBY'S EXCLUSIVITY

Ideally located in Montreux, just a stone's throw from the waterfront, city center, shops and train station, this apartment is in the region's most exclusive residence: **"Le National"**. A former emblematic palace that has been completely restored, this exceptional building combines historic architecture, top-of-the-range amenities and a privileged living environment.

Residents benefit from infrastructures worthy of a five-star hotel: heated indoor pool, hammam, sauna, fitness room, treatment room, as well as a concierge service. All this in a quiet, secure and perfectly maintained environment.

This 3.5-room apartment of 131 sq. m. (131 sq. ft. by weight) originally had two bedrooms, one of which has been converted into a dining room. However, it is still

possible to recreate the second bedroom to suit your needs. The materials and finishes are of the highest standard, with generous volumes and high ceilings.

The living area opens onto a spacious 60 m² terrace, a true extension of the exterior, ideal for enjoying the calm and elegance of the location.

A double parking space in the underground garage and a cellar complete this exceptional property.

CONSTRUCTION

The work of Vevey architects Ernest Burnat and Charles Nicati, the Hôtel National de Montreux, built in 1874 in the French Renaissance style, was raised in 1898 by Eugène Jost to offer a spectacular view of the Dents-du-Midi. Now disused, it has been transformed into a luxury real estate complex.

The modern, spacious apartments all enjoy breathtaking views of Lake Geneva and the Dents-du-Midi, with services worthy of a palace: housekeeping, dry-cleaning, catering, sports coach, babysitting, car cleaning, and more. The residence also boasts a Spa with hammam, sauna, indoor counter-current pool, Jacuzzi, fitness and massage room.
