SITUATION AND DESCRIPTION

Ideally located on the Vaud shore of Lake Geneva, between Geneva and Nyon, Coppet is a charming historic village that captivates with its unique living environment. Renowned for its peaceful atmosphere and remarkable architectural heritage, the village combines tradition and modernity.

Its medieval heart, dominated by the famous Château de Coppet, former home of Madame de Staël, offers picturesque lanes lined with old houses, cafés and small boutiques. The port, its flower-filled quays and its exceptional views of the lake and Mont Blanc give the place an incomparable gentle pace of life.

Thanks to its proximity to Geneva (15 minutes by train, Coppet station within walking distance), Coppet enjoys a privileged location for families, active people and nature lovers. Residents benefit from a wide range of infrastructures, quality schools, restaurants and

doctors, as well as a preserved environment blending lake, vineyards and green hills.

A true jewel of the Côte vaudoise, Coppet offers a rare quality of life, between heritage, tranquility and dynamism.
