SITUATION AND DESCRIPTION

At the heart of the charming ski resort of Haute-Nendaz, this modern apartment with a weighted surface area of 108 m2 offers superb plunging views of the Alps and the Rhone plain. It is located 2 minutes from the bus stop, on foot and flat, and less than 5 minutes by car from the resort center.

Thanks to its position on an exceptional plot of land, the apartment enjoys an unobstructed panoramic view. Its exposure provides plenty of natural light all year round. The design of the residence is perfectly adapted to the shape and position of its plot.

The apartment has been built using high-quality materials, giving it a modern, well-kept look.

The entrance hall features a generous hall distributing 2 good-sized bedrooms. The apartment also features two modern bathrooms with walk-in showers, one of

which has a laundry column. The large modern kitchen with island opens onto a living room with access to a beautiful terrace as well as a dining room.

The outdoor area offers breathtaking views of the mountains and the plain.

The apartment is sold with an outdoor parking space as well as the possibility of obtaining an indoor space. Access to the building is very easy, whatever the season.
