SITUATION AND DESCRIPTION

In the heart of the charming ski resort of Haute-Nendaz, this modern apartment with a weighted surface area of 87.5 m² offers a superb, plunging view of the Alps and the Rhone plain. It is located 2 minutes from the bus stop, on foot and flat, as well as less than 5 minutes by car from the resort center.

Thanks to its position on an exceptional plot, the apartment enjoys a breathtaking panoramic view. Its exposure provides plenty of natural light all year round. The design of the residence is perfectly adapted to the shape and position of its plot.

The apartment has been built with high-quality materials, giving it a modern, well-cared-for look.

The entrance hall features a generous hallway distributing a good-sized bedroom on one side and the living room on the other. The apartment features

a modern bathroom with walk-in shower, one of which has a washbasin. The large modern kitchen with island opens onto a living room with access to a beautiful terrace as well as a dining room.

The outdoor area offers breathtaking views of the mountains and the plain.

It is also possible to purchase the adjoining apartment in order to double the surface area and create a large attic.

The apartment is sold with an outdoor parking space as well as the possibility of obtaining an indoor space. Access to the building is very simple, whatever the season.
