SITUATION AND DESCRIPTION

PRESTIGIOUS ADDRESS - ENCHANTING APARTMENT - OLD TOWN OF GENEVA

Notice to lovers of old stone buildings, this magnificent **walk-through apartment** is located on the 2nd floor of a beautiful building with character, in the heart of the Old Town.

With a generous total surface area of around 160 m², you'll immediately be seduced by the **cachet** of its **exposed beams** as well as its **high ceilings**, which thus give an impressive volume.

The large living room is the centerpiece of the property and features a magnificent fireplace.

The 3 bedrooms, including a splendid master suite, are spacious and all benefit from a wealth of built-in storage space.

The real highlight of this property is undoubtedly its **vast private terrace** of around 40 m², accessed from the living room. Facing south-west, this will be ideal for fine summer days and evenings, and does not overlook the street, for greater privacy.

The Old Town is one of Geneva's most sought-after and exclusive neighborhoods, thanks to its quality of life and calm. As the canton's historic center, it offers a whole new art of living. All amenities are in the immediate vicinity, as are the many restaurants-café-bars, art galleries and museums, charmingly preserved buildings and the major luxury boutiques in the city center. Several public parks and the lakeshore are only a few steps away.

A visit is a must !
