SITUATION AND DESCRIPTION

An eco-district of homes to go green

Located at the gates of Fribourg, phase II of the "Impasse de Champ Rond" promotion is made up of 4 buildings offering 76 apartments of 2.5, 3.5, 4.5 and 5.5 rooms. All the apartments are arranged in such a way as to take full advantage of generous volumes and beautiful light. Indeed, its orientation guarantees clearance and exceptional sunshine.

The project, which aims to be family-oriented, is ideally located in Matran. All amenities are easily accessible. The eco-district, crossed by an alley of lime trees and plane trees, offers a superior living environment, in total harmony with a new housing philosophy, more in line with the considerations and awareness of our time.

Discover your future living space by contacting our team for a complete presentation of the project and benefit from personalized advice from our brokers.
