LOCATION

Located just 6 kilometers from Fribourg, the commune of Ependes offers a pleasant, peaceful living environment in the heart of the canton of Fribourg. Nestled between lush green countryside and urban proximity, it is surrounded by the communes of Marly, Le Mouret and Ferpicloz, contributing to a natural, preserved and friendly environment.

Thanks to its strategic location, Ependes benefits from excellent accessibility. An efficient public transport network, with regular bus routes, links the commune to neighboring centers, making it easy for residents to get around on a daily basis. What's more, the main roads are quickly accessible, making it easy to reach the region's major cities:

- Fribourg in 10 minutes,
- Berne in 35 minutes,
- Lausanne in less than an hour.

Ependes captivates with its village charm, family atmosphere and quality infrastructure, offering its residents an optimal quality of life while maintaining

proximity to urban amenities.

MUNICIPALITY

Ependes is a charming Fribourg commune in the Sarine district, home to almost 1,000 inhabitants. This picturesque village harmoniously combines rural tranquility, preserved natural spaces and quality of life.

The commune offers a number of local services, including an elementary school, dynamic local associations and meeting places for residents. Secondary school pupils continue their education at the cycle d'orientation in Marly or in Fribourg, easily accessible thanks to good transport links.

Ependes seduces with its friendly atmosphere, lush green landscapes and commitment to the well-being of its inhabitants, making it an ideal place for families and nature lovers.

CONSTRUCTION

architecture. Each buyer can personalize the interior to suit his or her tastes, thanks to a choice of options and budgets detailed in the technical specifications. Thoughtfully designed to meet environmental requirements, this project is equipped with photovoltaic panels, a ground/water heat pump, underfloor heating and a "geocooling" natural cooling system. High-quality features also include wall cupboards, slatted and fabric blinds and meticulous finishing.

Building work is scheduled to start in spring 2025.
