MUNICIPALITY

Perched at an altitude of 1300 m on a sunny, south-facing terrace overlooking the Rhone Valley, the Villars-sur-Ollon resort in the heart of the Vaud Alps boasts incomparable views of the Dents-du-Midi, the Mont-Blanc massif and even as far as Lake Geneva.

Villars offers a cosmopolitan atmosphere for all age groups, as this Vaud holiday resort also boasts several prestigious private schools. The small neighboring village of Gryon lies a little lower down on the eastern side of the valley. Together, the two communes form the vacation destination of Villars-Gryon, accessible by road from Ollon or Bex in the Rhône valley.

In summer, the Col de la Croix provides road access to Les Diablerets. From Bex, a winding narrow-gauge railway runs via Gryon to the sunny terrace of Villars, and on to Bretaye, which offers a wide range of sports and leisure activities.

Winter: The Villars ski resort encompasses the two ski areas of Villars/Bretaye and Gryon, and is also linked by the Le Meilleret ski area to the Diablerets ski area, where the glacier culminates at 3000 m altitude. All in all, the ski area comprises 44 facilities and 125 km of pistes.

There are also three snow parks, snow gardens, 44 km of cross-country ski trails, toboggan runs and numerous winter hiking trails, as well as lively après-ski opportunities. Visitors in search of relaxation will appreciate the Lavey spa's wellness facilities and services.

In summer, the main activities are hiking, mountain biking and golf. Visitors can choose from over 300 km of marked hiking trails and 150 km of mountain bike trails. An attractive circuit leads upstream to the

mountain lakes of Chavonnes, Bretaye and Lac Noir. Visitors can also take part in gastronomic walks and treasure hunts.

An 18-hole golf course set in magnificent countryside at an altitude of 1,600 m offers the chance to play golf in an alpine setting with views of Mont Blanc. An educational forest trail with a picnic hut, Nordic walking trails and a sports center with an ice rink, swimming pool, tennis courts and squash courts offer a variety of activities.

Not far away are exciting theme parks and excursions: Aquaparc and the Swiss Vapeur Parc in Le Bouveret, the adventure park in Aigle (aerial courses), the adventure labyrinth in Evionnaz, the salt mines in Bex, the "Fun Planet" in Villeneuve, the charm of Montreux and its Chillon castle or the aquatic pleasures offered by Lake Geneva.
