SITUATION AND DESCRIPTION

This charming Ticino house is located in the municipality of Lugano, in the characteristic hamlet of Brè, a few minutes from the village center and about 15 minutes by car from the city of Lugano.

The property stands on a plot of 1'200 sqm with northeast orientation, and offers a beautiful panoramic view over the picturesque village of Brè and the surrounding mountains.

This is a typical Ticino semi-detached house, carefully renovated to preserve its authentic character. The natural stone facades and the roof with exposed wooden beams give the property a rustic and cozy style, perfectly integrated into the local context.

The building is on two levels:

Floor level:

Spacious 3.5-room apartment consisting of living room, open and fully furnished kitchen, two

bedrooms, a bathroom with bathtub, guest toilet, cellar and technical room.

First floor:

Comfortable 2.5-room detached apartment consisting of a large and bright living room with fireplace and access to the terrace, separate kitchen with exit to the terrace, master bedroom and bathroom with shower. There is a possibility to connect the two apartments internally via a staircase, transforming the property into a comfortable single-family house.
