SITUATION AND DESCRIPTION

Located in one of Lausanne's most sought-after residential areas, this exceptional property offers a rare art of living, where refinement blends harmoniously with contemporary comfort. Close to all amenities as well as the shops of Chailly and just 5 minutes from the center of Lausanne.

The property was renovated in 2018 and is thus reminiscent of a magazine house. The generous volumes and 3.20 m high ceilings give the property a warm atmosphere, inviting the surrounding nature to interact with the interior.

Erected on a magnificent 858 m² flat plot, you will undoubtedly be charmed by its outdoor spaces, which include a spacious garden superbly planted with trees and landscaped.

The basement can be used as an independent studio, making it a totally versatile living space. Its flexibility makes it a rare opportunity.

Its location is a real asset. A true townhouse just a stone's throw from all the shops and the center of Lausanne, while preserving the rare tranquility. It offers a perfect balance between urban living and a gentle residential atmosphere, sublimated by a lake view.
