## SITUATION AND DESCRIPTION

Ideally located in a privileged residential area in the commune of Jongny, this high-standard detached house, erected in 2020, captivates with its peaceful location and views of Lake Geneva and the Alps.

Built with high-quality materials and modern finishes, it benefits from the latest energy-efficiency standards, including triple glazing and a hybrid solar and gas heating system, guaranteeing comfort and performance.

Elevated on a beautiful plot, the property boasts generous volumes and an ideal layout for a family looking for a serene, contemporary living environment. The living rooms, bathed in light thanks to large bay windows, open onto a terrace and garden, allowing you to take full advantage of the panoramic views.

The location is particularly advantageous: just a few minutes from the center of Vevey and its amenities, the house combines tranquility with proximity to schools, shops and public transport.
