SITUATION AND DESCRIPTION

Located in a quiet residential neighbourhood surrounded by nature in Breganzona, this contemporary villa stands on a flat plot of 1,449 sqm. Thanks to its south-east exposure, the property enjoys excellent sunshine and offers partial lake views. All major amenities, including schools and public transport, are within easy reach, while the centre of Lugano is just a few minutes away.

Completely renovated in 2025, with a focus on modern design and space optimisation, the villa is spread over three levels, totalling 386sqm. The spacious and bright interior spaces are designed to ensure maximum comfort. The well-kept garden surrounding the villa adds further value to the property, offering a perfect space for relaxation. The property is completed by a garage for two cars and three outdoor parking spaces.

ground floor: spacious entrance hall with cloakroom and guest bathroom, large bright living room with dining room, living room and open kitchen, access to panoramic terraces

garden floor: master bedroom with walk-in wardrobe and en-suite bathroom, three bedrooms each with walk-in wardrobing, two bathrooms; access from each bedroom to the garden

lower floor: laundry room, utility room, hobby room
