SITUATION AND DESCRIPTION

Discreet luxury and an exceptional panorama, at the gateway to Fully

In a rare green setting, sheltered from view, this contemporary villa offers an interlude of calm and elegance, carried by a spectacular view of the surrounding mountains. Nestled on a landscaped plot of over 2,312 m², with the possibility of acquiring an additional 1,002 m², carefully planted with fruit trees and selected species, the property embodies the alpine art of living, between nature and modernity.

The clean architectural lines, generous volumes and omnipresent luminosity give this residence an atmosphere that is both warm and resolutely contemporary. Every space has been designed to offer comfort, privacy and fluidity, from the vast living room with fireplace to the veranda bathed in light, right through to the garden-level master suite.

Outdoors, the heated swimming pool blends naturally into the landscape, inviting you to relax, while an outdoor kitchen, a space for a Jacuzzi, a pizza oven and a giant chessboard make up a refined reception area, designed for precious moments, far from any hustle and bustle.

Ideally located just a few minutes from Fully, this exclusive address combines discretion, accessibility and quality of life.

A rare, confidential property for discerning connoisseurs in search of the exceptional.
